

C Program to add the natural numbers from 1 to 10 using structure
 Algorithm: \rightarrow Flowchart: \rightarrow

① Start

② struct add

int a

③ struct add 1

int b

④ struct add c,

⑤ $c = 0$

⑥ struct add 1 c₂

$c_2 = b = 20$

$c_2 = c_1 + 10 = 10$

$c = c_2 + c_1 + a + c_2 + b$

⑦ output $c = 30$

⑧ Stop
